# XCO DIVISIONS

XCO's Corporate clients know it's all about looking the part – that's why they insist on our superlative range of corporate clothing, promotional items and gifting solutions. Set yourself apart with XCO Corporate: Custom-made identity ranges aligned with your brand's DNA – because we know that in business, to be different is to be **geared for success**.

When it comes to health & safety or the red-tape of heavily-regulated industries, XCO Workwear provides an approved catalogue of high-visibility products, protective footwear, outerwear and hospitality ranges. In an industry where aesthetics meets practicality and XCO Workwear is yet to meet its match, we bring you a work wear solution **geared for performance**.

We know that quality is merely a ticket to the game. Therefore, we not only specialise in custom-made sportswear for individuals and groups, but also supply a comprehensive range of technical equipment, mass participation packages and training aids. XCO Sport, much like its customers and brand ambassadors, is **geared for victory**.

Make first impressions last with XCO Exposure's unique indoor and outdoor branding solutions. Boost your brand beyond the clutter with our specialised in-house design studio, because the only way to really stand out is to be **geared for distinction**.

## XCO MANUFACTURING

Built on the pillars of quantity, quality and customisation – XCO Manufacturing is the engine room, the factory of XCO Group. From mass clothing production to various printing and embroidery technologies our own streamlined powerhouse truly is **geared for customisation**.

The pre-filter kit ensures maximum filter life and can reduce exposure of canisters, cutting down on unnecessary gas filter changes.

BY COMBINING GAS FILTERS AND PRE-FILTERS  
YOU CAN CREATE A UNIFIT COMBINATION FILTER E.G:

A1 + P2 = A1P2  
K1 + P2 = K1P2  
B1 + P2 = B1P2
